## Masters Message November 2021

Greetings Brethren, I hope all is well with your and your families as we head into our winter months and the days are getting shorter and colder. As I write this I am enjoying a great vacation in Arizona and in my second week here. I will be returning on the 14th, so I am sorry that I am so late getting this out but I wanted to get at least a quick message out to you especially since I did not get a message out in October. It has been a fantastic trip and the Grand Canyon is absolutely amazing. It is truly the work of the Great Architect of the Universe and it will take your breath away when you first see it. It changes with every step, angle and lighting.

The first thing I want to say is that I am truly humbled that you have voted me in to be your Worshipful Master for a second year in Unity Lodge. This is actually my 4th year in a row that I will be Master of a Lodge and while it is an honor, it is also a lot of responsibility and I know that I have not always been good with getting my communications out. I ask that you bear with me and I will try to do the best that I can in the coming months to live up to those responsibilities and I ask that all of my officer also do the best that they can to full-fill the responsibilities that each of them have assumed, so that our Lodge can have a successful and prosperous year ahead,

We have a candidate that we need to prepare for a Fellow Craft degree as soon as he is ready with his EA lesson. I will be setting up rehearsals shortly to work on the Fellow Craft Degree so that we can give our new made brother a great degree. We will discuss this at our Stated meeting on November 15th. We will probably need to have a special meeting for doing the degree work as our December meeting is usually a quick business meeting and we would like to get together with our families and maybe sing some carols and have some fellowship time for the holidays.

The semi-annual communication of the Grand Lodge of NH will be held on Saturday November 20th in Manchester, NH at 9:30am and the Worshipful Master, Sr. and Jr. Wardens and the Grand Lodge Rep are all required to attend and if they cannot they will need to arrange for a proxy to take their place, so that we have a full representation of the Lodge present to vote on the important business of the day. One of the things we need to discuss On Monday are the proposals for a per capita increase, that is needed, so that we can vote the will of the Lodge on those proposals.

We will also be scheduling a meeting of the finance committee to do our financial planning for 2022.

That is all I have right now, but as you can see we have quite a bit to discuss. Reach out to your brethren that you have not seen in a while and invite them to come with you to Lodge. It would be great to have a full Lodge room when we meet and share that fellowship and brotherhood..

God Bless you and yours and I hope to see you on Monday evening.

Fraternally  
Norman C. Greeley
